

SUMMARY OF QUALIFICATIONS

Experienced ecommerce, digital content, and process improvement professional with a background spanning retail, manufacturing, and education. Skilled in Shopify administration, SEO, product information management, digital content strategy, vendor collaboration, and data analysis. Proven track record of improving customer-facing digital experiences, optimizing product information, implementing scalable systems, and identifying process improvements that increase efficiency and usability. Experience supporting ecommerce growth, managing digital assets, analyzing performance data, and collaborating across departments to improve workflows and customer experience. Additional retail sales experience with Best Buy and 6 years at RadioShack providing a strong understanding of customer purchasing behavior and merchandising principles.

WORK HISTORY

HIGHLIGHT INDUSTRIES Grand Rapids, Mi. | Onsite and Remote - Dual Roles

Communications and Ecommerce Coordinator

June 2025 - Present

Digital Experience and Process Improvement

- Supported ecommerce administration and product content management across a catalog of 3,000+ SKUs.
- Conducted SEO analysis that identified customer demand for manuals, spare parts, service resources, and technical documentation.
- Designed and developed a centralized customer Support Center to improve access to manuals, troubleshooting resources, warranty information, and product support documentation.
- Created Quick Start Guides and digital documentation systems to improve usability, reduce labor costs, and standardize customer-facing resources.
- Optimized Shopify product data including weights, tags, collections, and shipping attributes to improve customer experience and operational accuracy.
- Designed and implemented QR-enabled digital business cards using centralized data management, improving accessibility while reducing maintenance time.
- Validated and maintained customer databases using ZeroBounce to improve email deliverability and communication workflows.

Ecommerce Growth & Analytics

- Supported ecommerce initiatives contributing to 157% total sales growth and 127% year-over-year gross sales growth.
- Improved product organization and customer-facing information to enhance purchasing experience and navigation.
- Developed digital merchandising concepts and homepage layouts to support promotional and seasonal content updates.

Vendor & Operations Coordination

- Coordinated with domestic and international vendors regarding shipping documentation, Certificates of Origin, commercial invoices, and export requirements.
- Approved parcel and freight invoices to ensure billing accuracy and cost control.
- Maintained inventory, parts databases, and operational records supporting manufacturing and ecommerce operations.

Shipping Admin Team Lead | Accounts Payable

Operations and Logistics Coordination

- Managed return authorizations including inspection and repair costs
- Maintained scratch-and-dent inventory and parts database
- Entered labor sheets and validated time against clock-in data
- Performed warehouse inventory entries and accuracy
- Prepared shipping labels, Bill of Ladings, and Pro numbers for machines ready to ship

Accounts Payable

- Receive and enter packing slips from vendors, ensuring accurate part inventory counts
- Match vendor invoices with packing slips, and posting invoice in Bizpro

BROOKE DAVIS | KHPS Grand Rapids, Mi. | In person - Remote

March 2024-March 2025

Marketing and Communications Intern

- Developed multi-channel creative and campaign assets (apparel, fundraising branding, email campaigns, presentations) supporting district initiatives and community engagement.
- Supported crisis communications and executive messaging to ensure clarity, consistency, and timely stakeholder communication.
- Produced reports and data analysis for districtwide initiatives to inform leadership decision-making and strategic planning.
- Provided executive support to leadership, including inbox management, calendar coordination, documentation organization, and meeting preparation.
- Contributed to the design and production of slide decks for staff training sessions and external presentations, ensuring professional and engaging delivery.

WITH PURPOSE COUNSELING Grand Rapids, Mi. | Contract - Remote

April 2024-August 2024

Website and Logo Designer

- Developed a dual-purpose website serving as a landing page for both a private counseling practice and an education consulting firm.
- Designed a cohesive logo for a new private counseling company, aligning colors and themes with existing branding to ensure a consistent look and feel.
- Created marketing collateral including business cards, brochures, and training, conference forms to support outreach and professional events.

KENOWA HILLS PUBLIC SCHOOLS Grand Rapids, Mi. | Onsite

Dec. 2021-June 2025

PBIS Paraprofessional

- Co-led Tier 1 team and contributed to District Leadership and Tier 2 teams. Member of District School Leadership and Tier 2 team.
- Launched the Tier 1 GOLD campaign to enhance student involvement and morale for over 600 students and 80+ staff members, boosting participation numbers from 30% to 90%.
- Established and oversaw school-wide data dashboard.
- Developed and automated the distribution of ISS/OSS and behavior referral forms using Autocrat, effectively moving the school from a paper-based system to a more efficient digital workflow.
- Designed flyers, surveys, behavior matrices, social media posts, referral, suspension and Parent University forms.
- Created tailored messaging, surveys and versatile content for diverse audiences, including families, middle school students, community members, and internal stakeholders, across platforms such as social media and email campaigns, using Adobe and Canva.
- Served as the school's primary point of contact for students, teachers, and families during in-school and out-of-school suspensions.
- Contributed to Crisis Communications efforts.
- Supported DEI initiatives and community events including Parent University, Career Day, Knight Out, and Meet Up & Eat Up.
